The President's Christmas Message

My Postal and Partners Co-operative Credit Union family, Christmas is the time when we reflect on the birth of Christ and spend time with our family and loved ones. In reflecting we must also look forward so now is a good time to ask, what can we expect in the year 2024?

The credit union will continue to explore and implement ways in which our members can effectively and efficiently do business. We have big plans for you in 2024 and have already started to unveil them.

Finally, I would like to take the opportunity to remind you all to spend wisely during the holidays and take the necessary precautions to stay safe.

On behalf of the Management, staff and volunteers of the Postal and Partners Co-operative Credit Union Ltd, I would like to thank all our members for their loyal support during the year 2023 and we anticipate working with you in the coming new year and beyond.

I wish for you and your loved ones a peaceful and holy Christmas and God's richest blessings for the New Year.
